

10 QUESTIONS TO ASK *before* HIRING A NEWBORN PHOTOGRAPHER

- 01 What safety practices do you have in place in your studio specifically geared towards the newborn client?
- 02 Have you received any newborn specific posing training and with whom did you train?
- 03 What will happen in the case of illness, your own or otherwise?
- 04 Are you currently up to date on the necessary vaccines needed when working with a pregnant or newborn population?
- 05 Is the studio area sanitized between sessions?
- 06 Are you a legal business?
- 07 Do you do posed or natural (lifestyle) portraits?
- 08 Is family posing included?
- 09 Do you offer a client closet? (props, wardrobe, accessories, etc)
- 10 What is included in the price?
